APPROVED-168 Unit Residential Redevelopment

Nashua NH, Brian Thibeault of ZJBV Properties LLC wins approval for 168 unit residential redevelopment of the former Corriveau-Routhier Tile Co. properties. This redevelopment is located in the newly zoned Transit Oriented Development Overlay District in Downtown Nashua NH. This development is ideally located a block away from the highly anticipated proposed train station & currently the new park and ride of Nashua. This property will be the closest of any development to the proposed train station as well as will feature 250 Parking spaces, a Gym, Leasing office, curb cuts on both Temple St & Bridge St, as well as other amenities for its future residents and the community.
